

Aetna Better Health[®] of California

Dyadic services

Dyadic services serve both parents or caregivers and the child. It targets the family well-being as a way to support child's healthy development and mental health.

Children ages 0 to 20 on Medi-Cal can receive this service even if parents or caregivers are not on Medi-Cal.

Services are available in your doctor's office, through telehealth, or at home, school or community sites. Services include up to five visits.

For these services, call Member Services at **1-855-772-9076 (TTY:711)**, 24 hours a day, 7 days a week.
